

Expectations Camping Geversduin 2025

Welcome to Geversduin. How nice of you to join us. With many different people together, it is important to agree on some rules. This way we can make it as pleasant as possible for everyone together. And everyone can enjoy everything Geversduin has to offer.

If you would like to read through our complete house rules again, you can do so below.

Car and other vehicles

- If you have reserved a pitch that can accommodate your car, you may of course park it there. One car per pitch is allowed. The site is accessible from 07:00 to 22:00.
- If you do not have this, or the car does not fit, it may be parked in the central parking lot which is accessible 24 hours a day.
- We ask you, in connection with safety and many children playing, to observe the speed limit of 5 km/h.
- Scooters, mopeds and motorcycles are not allowed on the premises, you can park them in the designated area next to the reception.
- Charging of electric cars is only allowed at the appropriate charging station in the parking lot. Once your car has been charged, please park it in a regular parking space.
- If you have visitors, they can use the paid parking lot.

Pitch and camping equipment

- A maximum of 6 people may stay overnight on the camping pitch.
- Young people up to 21 years of age are admitted only when accompanied by an adult.
- Spending the night with dogs is permitted only on Hoepse Beek and in Duin Kebbin 1, 2 and 3. Dogs are allowed on a leash throughout the grounds. No other pets are allowed.
- When your vacation is over, the pitch must be left clean. Garbage can be put in the designated waste container.
- On the pitch one main means of camping is allowed (touring caravan, trailer tent, camper or tent) with an extra tent.
- It is allowed to place a party tent (maximum dimensions 3 x 3 meters (l x w)) on the camping site, provided it is open on all sides and the holiday maker or a family member is present.
- You may not place items outside the boundary of your pitch.
- One main camping device may be placed on the pitch with an additional tent.

Hygiene and sanitation

- There are underground waste containers on the grounds. Here you can deposit your garbage, in sealed bags. We also have bins for paper, glass, plastic and bulky waste.
- We greatly appreciate it if children under the age of 7 are accompanied to the sanitary buildings.
- Toilet buckets may only be emptied in the designated areas in each sanitary building (chemical toilet).
- Be wise with water. Connecting garden hoses to the water taps is not permitted.
- It is nice that wild animals such as foxes or rabbits occasionally visit the campsite. To keep this fun for us as well as for the animals, they may not be fed.

Access to the surrounding nature reserves

You have free access to the Noordhollands Duinreservaat, from sunrise to sunset. At all entrances to the dunes you can read the access conditions.

Other camping rules

- Open fire, for fire prevention reasons, is prohibited. Barbecuing is allowed only on gas or electricity.
- In order for everyone to be able to enjoy a good night's sleep, we ask our guests to be considerate of the neighbors after 10:00 pm. A canvas tent or a caravan offers less privacy than an insulated house. Television and socializing are more audible. We therefore ask you to take this into account and minimize the noise. In this way we hope that everyone can enjoy a wonderful vacation and come home rested.
- Playground equipment such as trampolines and swimming pools are allowed within the boundaries of the pitch. These should be removed in your absence to avoid accidents.
- The possession, use or dealing of drugs is not permitted.
- Offering merchandise is not allowed.
- Use of a drone is not permitted in the campground.

If an employee calls you to account for your behavior, you must immediately follow these instructions. This also applies in the event that you follow the instructions (evacuation) of FAFS officers, emergency workers or employees of Camping Geversduin.

The RECRON conditions apply to all agreements of Kennemer Duincampings. In cases not covered by these regulations, the manager will decide.

Thank you for taking the time to read through everything. Let's make it an unforgettable time together.
